Who is Michelle Carrier? Do you have her number?

Can you set up a conference for tomorrow between 2 - 3 or Thursday morning between Linda Divall, David Doak, Michelle Carrier, Peter Harris, and Even Hurwitz? Should take 1/2 hr to 40 minutes. I would really like Marc, Nicoli and Vic to be a part of it if they can (if they can't, we'll proceed). The subject is the Monday's FDA focus group in Cleveland.

As info, David Doak spoke to Michelle Carrier and she will be participating. Also, if you need to speak to Peter Harris, he will be in his office tomorrow.

Subject: AAA and Arnold and Porter

David Nicoli has asked Arnold and Porter to prepare some supportive floor statements to be used by members of Congress after we announce Action Against Access. Is it okay to send the Morgan speech and program elements to them so they can get started? Pls advise.
